

Grade Rubric: Design Project Peer Evaluations

Evaluator Name: _____

Date: _____

Evaluate the contributions of your team members on the final design project. This should be done privately without the input or knowledge of your other team members. All evaluations will be confidential. Rate your fellow team members as honestly and accurately as possible.

In the columns below, rank each of your team members on a 1-4 scale with 1 being the poorest performance and 4 being the best performance.

Team Member Names:						
Category:						
Participation: Attended group meetings and actively participated in group discussions.						
Cooperation: Demonstrated a positive team spirit, worked well with others, and fulfilled all commitments.						
Contribution of Knowledge and Ideas: Exhibited leadership in contribution of knowledge and ideas to the group.						
Realization of Knowledge and Ideas: Contributed an appropriate amount of high-quality deliverables to the project.						
Integration: Actively participated in the integration process or was not required to participate.						
Overall: If you had a \$1,000 bonus to distribute to your team members based on their performance on this project, how you would divide it.
