| <i><b>Purpose:</b> The Advancement Council establishes strategic goals and operationalizes plans to reach those goals in the areas of alumni relations and annual, planned/estate, capital, grant, and major gift fundraising. The Council considers and recommends policies and programs related to philanthropic giving and alumni engagement. It reviews fundraising and alumni engagement opportunities related to advancing the university's priorities and strategic plan, provides guidance to the Alumni council as needed, may review requests for named spaces and address concerns with existing named spaces. It reviews student fund raising proposals, may oversee the acceptance of historical campus memorabilia, and works with Marketing and Facilities to review gifted art acceptance and placement. The Council meets monthly. As special topics arise, invitees will be asked to attend the council to provide additional perspectives. Ad hoc committees and task forces may be created to provide in-depth recommendations or understanding to the Advancement Council.</i> |                                |                                 |

| Four males and four female appointed by the University President upon recommendation by the Title IX Coordinator. Members serve staggered, non-renewable two-year terms (eligible for another term after a one-year hiatus). The committee should mirror the diversity of Southern's campus. Excluded from consideration in serving on this panel are members of the Office of Ministry and Missions and the Residence Hall staff because of their roles as potential counselors and/or advocates. The V.P. for Student Development selects chair and chair-elect of the committee. | Michelle Adams (27) [Faculty] F#1   |
